Wilderness First Responder (WFR)

The highest level of Nationally Accredited Training in Wilderness First Aid is the Wilderness First Responder. Equip's 'new' format course will be run with the 9-day course content rolled into just 7-Days, with the usual fast paced, lots of practical scenario based training that there is here in Western Australia.

Contact Andrew Stuart for further information 0488 683 201

¹Those found competent will receive a certificate from Outdoor Discoveries and have the option of contacting the National Outdoor Leader Registration Scheme (NOLRS) and / or Australian Canoeing (AC) and applying for registration. Registration is a separate process and there is an additional cost to become registered.
