

Brayden joined the Adventure Out team over 9 years ago. He has over 11 years experience, having studied extensively as an outdoor educator and facilitator; combining technical knowledge and vast practical skills to maintain the highest safety standards whilst ensuring the maximum experience for all clients. His passion for the outdoors commenced at an early age and expanded whilst a student at Christ Church Grammar School, where he participated in outdoor education programs at the school's external camps *Kooringal*.

Brayden has enjoyed diverse roles with Adventure Out. He has undertaken the management of Paintballing; Education; Operations and Logistics. He believes in a "hands-on" approach in all areas of the business, with a particular love for roping and water based activities. His passion and drive for the outdoor industry has seen him assist with the writing of the *Adventure Activity Standards* for the State of Western Australia, where he sat on the Technical Working Committee for the water component.

Brayden is a National Outdoor Leadership Registration Scheme (NOLRS) accredited Abseiling Instructor and also holds a level 2 Australian Canoeing Instructor qualification. He has completed a *Certificate IV of Outdoor Recreation*, specialising in bush walking, roping, caving and water activities (Kayaking and Canoeing). He continues to maintain his qualifications and endeavours to further his knowledge and skills at every opportunity.
